

Mentoring the Beginning Teacher

This course will provide veteran teachers with the knowledge, skills and understanding necessary for working with beginning teachers. This will enable them to provide the much needed support that new teachers need in the first years of service. This course will also enable participants to work more effectively in those situations in which they offer training to veteran teachers.

This course meets and exceeds the DPI requirements for a mentorship training program.

DATES: Monday, August 22 and Tuesday, August 23, 2011

TIMES: 8:00 AM to 4:00 PM each day

LOCATION: Oconto Falls School District Office
