Wednesday, February 9, 2011 - *2nd Day*

Technical Assistance-After the Kickoff:

Friday, September 30, 2011 - *3rd Day*

Training Description:

Coaches and Principals Orientation - Having attended a PBIS Overview, this one day workshop is specifically designed for the building principal and designated internal and external coach of school teams beginning the PBIS Tier 1 Training process. This day is focused on preparing the Coaches and Administrators for the various activities and steps their teams will be progressing through in the process of starting PBIS in their schools. Those attending must also attend Tier 1 Team Training (2 additional days) with the designated school team members.

Team Training - The designated PBIS School TEAM (including administrator and coaches from previous day required) participate in two days of intense, interactive activity based preparation for implementation of School-wide PBIS. These are guided team work days to begin developing the materials needed for PBIS Kick-Off and implementation. Bring any school based behavioral data you have, as well as your current office discipline referral form.

Note: Attendance by school leadership at a PBIS Overview is required prior to the start of Universal Tier 1 Team Training. The Readiness Checklist must be completed with the Regional Technical Assistance Coordinator prior to the training. www.wisconsinpbisnetwork.org/getting-started.html

Technical Assistance-After the Kickoff - For teams (including building principal) that have completed Day 1 and 2 of Universal Training. This is the last step in the Tier 1 Universal Training sequence. The Team Implementation Checklist (TIC) will be completed with teams and coaches. Doing this will fulfill one of the three required three yearly completions of the TIC. Time will be scheduled to action plan for "next steps" in the implementation process and team work time.

Fee:

Coaches and Principals Orientation (1 Day Training) - \$75 Per Person *includes materials and lunch.*

Universal Team Training (2 Day Training) - \$525 Per Building Team (up to 6 members), \$40 for each additional building team member—*includes materials and lunch.*

Technical Assistance (1 Day Training) - \$275 Per Building Team (up to 6 members), \$20 for each additional building team member—*includes materials and lunch.*
